The Rules of Video Game Trivia

- 5 Rounds + The Bonus Round
- In the first section, you will say your name to buzz in
- In the second section + Bonus Round, everyone will have a chance to write down their answers
- Point values will increase as the game goes on
- There is 100% audience participation

Audience Participation for Video Game Trivia

- One line in the middle of the room
- The person at the front of the line will be able to answer the question they are posed
- You are allowed to confer with the person directly behind you
- Once your question has finished, you may move to back of the line
- In the second and third sections, the <u>whole</u> audience will be able to participate, but must remain silent for the first round

The Speed Round

- 12 questions from the video game world
- 1 point per correct answer
- Buzz-in with your name
- If a team/audience answers incorrectly, they are locked out for that question
- Audience: only the person at the mic can speak
